## 2012 Bible Reading Plan:

Welcome to a journey, a trip through the most famous and well-read book of all – the Bible. For 2012 CVC has selected a condensed chronological Bible reading plan for our time together in God's Word.

Today's typical Bible is actually in "canonical" order, grouped together based on the literary style of the book, such as law, history, poetry and prophecy. By following a chronological plan, we read through Scripture following a thread closer to the actual order of events and content. For example, you might find yourself reading about King David in 1 Samuel followed by one or two Psalms that he wrote during that timeline.

This is also a condensed Bible reading plan, meaning not every Bible verse will be read. Portions of scripture that cover great detail such as genealogies, temple measurements, or repeat accounts are not included. Of course, you are welcome to read those passages, but these were omitted to keep the plan on a one year track.

Finally, this is also a 6 day reading plan, so each week has one free or catch up day provided. You can get your hands on the plan at the church info center or online. We trust that you will be blessed by the richness of consistently reading through God's Word! Don't forget to include times of unhurried prayer and journaling as you spend time with the Lord.
