## Read the New Testament in 2010

*At CVC, we are asking everyone to read through the New Testament using the New Testament readings of the One Year Bible reading plan. Imagine the kinds of conversations we can have throughout our church family if we are all reading through the same scripture passages together, encouraging and teaching each other toward revival along the way. And, this is an important discipline for experiencing personal spiritual revival.*

Use this guide in your reading this year.

Revival is possible. It's a gracious gift God's sovereignty can give to those who seek Him with all their hearts.
