

GENESIS: Week 4

06.15.14

STUDY GUIDE

[set up]

We continued our series “Genesis” this last weekend. What are some “take homes” that stand out to you or ways that God affirmed or challenged you during this current series?

[digging deeper]

1. For accountability sake, share with your group some of the locations or scenarios where you are most likely to fall into sin. How can you help one another not be where sin is most likely to happen?

2. As a LifeGroup, are you truly committed to digging into God’s Word or has your group turned into social hour? How might you recommit your group to serious study of God’s Word?

3. How often are you able to note where, exactly, the Bible speaks to a specific issue. Has your conversation turned to, “the Bible says....” Does it? Okay, show me where?

4. When was the last time you spent time in real repentance? Really stopped and gave an account to God? Perhaps, it might be appropriate to split by gender in your group and confess sins one to another and then to God.

5. Are you preaching or acting out a works-based Gospel? What are some verses in the Bible that tell us that salvation is by grace through faith? See if, as a group, you can come up with 5. Have a little friendly battle of the sexes and then talk about the verses and their importance for our daily lives.

[living it out]

Close in a time of prayer.
