[set up]

Can you share a time when you were left empty and disappointed by something you were depending on for meaning, worth, or fulfillment?

Do you remember a time when you experienced the opposite of that by coming to Christ?

[digging deeper]

Read/Review John 6:22-69.

When Jesus said He was the Bread of Life, what was He saying?

How have you personally experienced Jesus as the Bread of Life?

What were these people looking for?

As Jesus taught, He revealed a deeper and more significant need in their life. Their perceived or immediate need wasn't their true need. What was it?

Why were the people resistant to believe in Christ? What do you see in these verses that reveals many of the people were superficial or spiritual but unwilling to cross the line of belief in Jesus?

How is John 6:44 a freeing verse when it comes to sharing our faith? How can that verse shape our prayers for the unbelievers we love and are trying to reach?

What statements do you see or behaviors do you observe in these verses that resemble the lives of people today? In other words, how are people today similar to the people that resisted in this passage?

Which of the verses in this passage do you find the most sad?

Which of the verses in this passage do you find the most encouraging?

Which of the verses in this passage do you find the most personally convicting?
