## WAR AND PEACE July 11, 2021

### [set up]

What are you thankful for this week?

What are you struggling with this week?

What is something God has taught you, convicted you of, or impressed upon you this last week from the weekend message, Bible Reading Plan, or your personal devotional time?

### [digging deeper]

Have one person read Ephesians 6:10-20.

Pastor Dale taught on how we are facing a war on three fronts: The World, The Flesh, and The Devil. In order to fight in this spiritual war, we need to put on the full armor of God. God has given us victorious and mighty weapons for our defense. Spend some time reviewing each piece of the armor of God: <https://www.gotquestions.org/full-armor-of-God.html>

As you learn more about the armor of God and how it allows us to stand firm, where do you feel you are the most vulnerable in your stance? Share with the group if you feel comfortable doing so or break into pairs and share with each other.

### [living it out]

Throughout his letter Paul has stressed the believer's position in Christ and Christ's power over all spiritual forces. All spiritual conflict must be conducted through constant communication with the Lord. PRAYER is essential for the gospel's movement forward and Paul depends on a missionary prayer team devoted to prayer. Spend some time praying for each other, particularly in the areas where you feel vulnerable.
