

STUDY GUIDE

FAMILY DRAMA 09.26.21

[set up]

Share a time when you had to wait on the Lord, the outcome, and what that season/event taught you.

[digging deeper]

Read Genesis 16:1-3 and then read Genesis 3:1-6. It can be touchy to talk about the fact that both men listened to their wives and that this caused family drama. However, it's in the Bible and there are lessons to learn. What are we to learn from these examples?

Read Genesis 3:16-19. What are the curses on male and female because of the Fall? In what ways have you seen these curses manifest in your life?

Read Romans 5:12-21 (I suggest reading in the New Living Translation as the ESV is a little rough) and answer these questions:

- Compare and contrast the effects of Adam and Jesus on the world.
- Is this hard for you to believe – that two men have had such a significant effect on the world? Why/Why not?

[living it out]

Was there anything in the sermon this weekend or in the study that the Holy Spirit used to convict you of sin?

Every time we encounter God's Word, it should launch us into action. What is God teaching you this week and what are you going to do with it?
