## SUNDAY SCHOOL AT HOME

Not coming to church in person yet? We've put together a lesson plan so you can have Sunday School at home. The basic concepts are listed on the left, and some activities are printed below. We would also encourage you to use the Parent Cue for extension activities throughout the month. Remember that doing these specific activities isn't what matters, but leading your child spiritually does matter very much. These are simply tools that we are offering to help you step into or continue on in the role God has given you as a parent.

### 1. Prepare for the Bible Story

Let your child taste a bit of honey. (Do not feed honey to children under one year old.)  
Tell your child that a man named John ate honey and bugs!  
John is in our Bible story for today.

### 2. Watch the Bible Story

Visit [cvconline.org/cvckids](http://cvconline.org/cvckids)  
Pray with your child, asking God to help him/her understand.  
Watch the "Bible Story with Ollie" video for January 16<sup>th</sup>.

### 3. Worship with Song

At [cvconline.org/cvckids](http://cvconline.org/cvckids) click the link for the Preschool playlist.  
Play "Promises" and "Friend Forever."  
Sing and dance along.

### 4. Practice the Memory Verse

Check out the Memory Verse Card at [cvconline.org/cvckids](http://cvconline.org/cvckids).  
Teach your child the verse with the motions.  
Connect the verse to the Bible story.

### 5. Review the Bible Story

Gather two Little People® figures or other similar figures.  
Use a sink, bathtub, or bowl of water.  
Retell the Bible story using the figures and the water.  
Then, allow your child to retell the story in the same way.
