

### BIBLE STORY

God creates the land,  
plants, and sea.  
Genesis 1:9-13

### MEMORY VERSE

“God created the heavens  
and the earth.”  
Genesis 1:1, NIV

### BASIC TRUTHS

God made me.

If you need help,  
encouragement, or further  
suggestions, email the  
CVCKids Children’s  
Minister, Denise Petek, at  
dpetek@cvconline.org.

## SUNDAY SCHOOL AT HOME

Not coming to church in person yet? We’ve put together a lesson plan so you can have Sunday School at home. The basic concepts are listed on the left, and some activities are printed below. We would also encourage you to use the Parent Cue for extension activities throughout the month. Remember that doing these specific activities isn’t what matters, but leading your child spiritually does matter very much. These are simply tools that we are offering to help you step into or continue on in the role God has given you as a parent.

### 1. Prepare for the Bible Story

Pretend to be a gardener, while your child is a flower seed.  
Pantomime digging a hole in the dirt.  
Have your child curl into a ball on the ground.  
Pat him or her on the back to cover with the dirt.  
Water your child by tickling his or her back.  
Tell your child the sun is shining down on him or her.  
Encourage your child to gently grow all the way from a seedling to a blooming flower.  
Explain that today we’ll learn how God made plants.

### 2. Tell the Bible Story

Visit [cvconline.org/cvckids](http://cvconline.org/cvckids)  
Pray with your child, asking God to help him/her understand.  
Watch the “Bible Story with Ollie” video for July 3<sup>rd</sup>.

### 3. Worship with Song

At [cvconline.org/cvckids](http://cvconline.org/cvckids) click the link for the Preschool playlist.  
Play “God Made It All” and “Good Thing Maker.”  
Sing and dance along.

### 4. Practice the Memory Verse

Check out the Memory Verse Card at [cvconline.org/cvckids](http://cvconline.org/cvckids).  
Teach your child the verse with the motions.  
Connect the verse to the Bible story.

### 5. Review the Bible Story

Have a fruits and vegetables snack together!  
Some great options are...  
...carrots (which grow in the soil)  
...blueberries (which grow on a bush)  
...cucumbers (which grow on a vine)  
...apples (which grow in a tree)  
Remind your child God made the land and plants!
