SUNDAY SCHOOL AT HOME

Not coming to church in person yet? We’ve put together a lesson plan so you can have Sunday School at home. The basic concepts are listed on the left, and some activities are printed below. We would also encourage you to use the Parent Cue for extension activities throughout the month. Remember that doing these specific activities isn’t what matters, but leading your child spiritually does matter very much. These are simply tools that we are offering to help you step into or continue on in the role God has given you as a parent.

1. Prepare for the Bible Story

Gather five pieces of paper, a marker, and fifteen blocks. Write the number “1” on one page, “2” on another page, etc. Take all five pages and place them on the floor or table. Pile the blocks nearby. Ask your child to build a tower on each paper with the matching number of blocks. Explain that God helps some people build in today’s story.

2. Watch the Bible Story

Visit cvconline.org/cvckids
Pray with your child, asking God to help him/her understand.
Watch the “Bible Story with Ollie” video for November 28th.

3. Worship with Song

At cvconline.org/cvckids click the link for the Preschool playlist. Play “Very Big Things” and “Wherever, Whatever.” Sing and dance along.

4. Practice the Memory Verse

Check out the Memory Verse Card at cvconline.org/cvckids. Teach your child the verse with the motions. Connect the verse to the Bible story.

5. Review the Bible Story

If you have toy tools, a tool bench, or construction dress up clothes, now is the time to pull them out and play! If you don’t have toy tool items, you can show your child any real tools that you have and explain how each one is used. Review the story of Nehemiah and how God was good to help the Israelites rebuild the wall.
