SUNDAY SCHOOL AT HOME

Not coming to church in person yet? We’ve put together a lesson plan so you can have Sunday School at home. The basic concepts are listed on the left, and some activities are printed below. We would also encourage you to use the Parent Cue for extension activities throughout the month. Remember that doing these specific activities isn’t what matters, but leading your child spiritually does matter very much. These are simply tools that we are offering to help you step into or continue on in the role God has given you as a parent.

1. Prepare for the Bible Story

Participate in a bit of imaginary play with your preschooler. Gather props that you could use to pretend to be reporters. You might give your child a tie or some jewelry to dress up. You can record the newscast with your phone. Pretend to report the weather and other news. The BIG news, however, is that Jesus is alive! Then, show your child the recording of the newscast.

2. Watch the Bible Story

Visit cvconline.org/cvckids
Pray with your child, asking God to help him/her understand.
Watch the “Bible Story with Ollie” video for April 4th.

3. Worship with Song

At cvconline.org/cvckids click the link for the Preschool playlist. Play “Jesus Is Alive,” and sing and dance along.

4. Practice the Memory Verse

Check out the Memory Verse Card at cvconline.org/cvckids.
Teach your child the verse with the motions.
Connect the verse to the Bible story.

5. Review the Bible Story with an Activity and Treat

Make Resurrection Rolls with your child.
There are many examples and recipes online. Here is one:

As you assemble the rolls, be sure to tell your child the story of Jesus’ death and resurrection.
After baking, the marshmallow will “disappear,” representing the empty tomb.
