SUNDAY SCHOOL AT HOME

Not able to attend church in person this week? We’ve put together a lesson plan so you can have Sunday School at home. The basic concepts are listed on the left, and some activities are printed below. We would also encourage you to use the Parent Cue for extension activities throughout the month. Remember that doing these specific activities isn’t what matters, but leading your child spiritually does matter very much. These are simply tools that we are offering to help you step into or continue on in the role God has given you as a parent.

1. Prepare for the Bible Story

With a white crayon, draw hearts all over a white piece of paper. Give your child some watercolor paints, a brush, and water. Let your child cover the paper with watercolor paints. The hearts will appear! Hearts remind us of love. Tell your child that we’ll learn in today’s Bible story that God loves all people and wants us to tell everyone about Jesus.

2. Watch the Bible Story

Visit cvconline.org/cvckids. Pray with your child, asking God to help him/her understand. Watch the “Weekly Preschool Bible Story Video.”

3. Worship with Song

At cvconline.org/cvckids click the link for the Preschool playlist. Play “Very Big Things” and “Love Like Jesus.” Sing and dance along.

4. Practice the Memory Verse

Open the Preschool Parent Cue at cvconline.org/cvckids. Check out the Memory Verse for this month. Teach your child the verse with the motions. Connect the verse to the Bible story.

5. Review the Bible Story

Get a craft stick, clear tape, and a clear, plastic dessert plate. Help your child tape the craft stick to the dessert plate. You have made a giant magnifying glass! Tell your child to use the magnifying glass to look for people to tell about Jesus, just like Peter did in today’s Bible story. Help your child make a list of people he or she could tell.
