SUNDAY SCHOOL AT HOME

Not able to attend church in person this week? We’ve put together a lesson plan so you can have Sunday School at home. The basic concepts are listed on the left, and some activities are printed below. We would also encourage you to use the Parent Cue for extension activities throughout the month. Remember that doing these specific activities isn’t what matters, but leading your child spiritually does matter very much. These are simply tools that we are offering to help you step into or continue on in the role God has given you as a parent.

1. Prepare for the Bible Story

Turn a laundry basket upside-down.
Put a few stuffed animals underneath it.
Tell your child that it looks like the animals are in jail!
The animals didn’t do anything wrong!
Have your child set the animals free.
Explain that God frees someone from jail in today’s Bible story.

2. Watch the Bible Story

Visit cvconline.org/cvckids.
Pray with your child, asking God to help him/her understand.
Watch the “Weekly Preschool Bible Story Video.”

3. Worship with Song

At cvconline.org/cvckids click the link for the Preschool playlist.
Play “Very Big Things” and “Hey! I Can Pray.”
Sing and dance along.

4. Practice the Memory Verse

Open the Preschool Parent Cue at cvconline.org/cvckids.
Check out the Memory Verse for this month.
Teach your child the verse with the motions.
Connect the verse to the Bible story.

5. Review the Bible Story

Give your child some crayons and a piece of paper.
Explain that God can hear the words we say aloud.
God can also hear the words we say in our minds.
You can talk to God by thinking the words you want to say.
Ask your child to spend some quiet time drawing while he or she prays in his or her mind.
If you want, play some quiet music in the background.
At the end, pray aloud with your child.
Remind your child that God listens to our prayers.
