# SIMPLE WAYS TO BRING THE LESSONS HOME...

---

## MORNING TIME

This month when you go into your child's room, say, "You are fearfully and wonderfully made by God! I love you!"

## PLAY TIME

Make a family collage together of all the things God made. Cut pictures from magazines or print them from a computer or your phone, and glue them to a piece of construction paper. Write the words, "God made it!" at the top, and put it on the refrigerator.

## DRIVE TIME

Since God made everything, let's turn Drive Time into a fun game of, "Look What God Made!" First, place your Creation Station hanging card on your rearview mirror. As you drive along, take turns naming things you see by saying, "God made the [name what you see.]" Then, see if you can name what day it was made. Look at your Creation Station hanging card to check your answers. Soon you'll be a creation pro!

## BATH TIME

During bath time this month, give your child a toy fish with which he or she can play. Remind your child that God made all the fish and birds on day five of creation.

## CUDDLE TIME

Cuddle up with your child this month and pray, "Dear Father God, Thank You for making so many wonderful things. You made bunnies and flowers and sunsets and oceans and grassy fields. You made lightning bugs and hummingbirds and mountains and strawberries. You are the Good Thing Maker! Thank you! In Jesus' name we pray. Amen."
