SUNDAY SCHOOL AT HOME

Not able to attend church in person this week? We've put together a lesson plan so you can have Sunday School at home. The basic concepts are listed on the left, and some activities are printed below. We would also encourage you to use the Parent Cue for extension activities throughout the month. Remember that doing these specific activities isn't what matters, but leading your child spiritually does matter very much. These are simply tools that we are offering to help you step into or continue on in the role God has given you as a parent.

1. Prepare for the Bible Story

Sing the classic children's song, "Old MacDonald."

Have your child fill in the blank with as many animals as he or she can think up.

Tell your child that today's Bible story will reveal who made all the animals!

2. Watch the Bible Story

Visit cvconline.org/cvckids.

Pray with your child, asking God to help him/her understand. Watch the "Weekly Preschool Bible Story Video."

3. Worship with Song

At cvconline.org/cvckids click the link for the Preschool playlist. Play "Good Thing Maker" and "God Made It All."
Sing and dance along.

4. Practice the Memory Verse

Open the Preschool Parent Cue at cvconline.org/cvckids. Check out the Memory Verse for this month. Teach your child the verse with the motions. Connect the verse to the Bible story.

5. Review the Bible Story

Gather a bunch of stuffed animals and hide them throughout the room or even the whole house. Have your child hunt for each animal. Every time he or she finds one, remind him or her that God made the animals. Once you've collected all the animals, have a parade with them, praising God for being the wonderful Creator!
