SUNDAY SCHOOL AT HOME

Not able to attend church in person this week? We've put together a lesson plan so you can have Sunday School at home. The basic concepts are listed on the left, and some activities are printed below. We would also encourage you to use the Parent Cue for extension activities throughout the month. Remember that doing these specific activities isn't what matters, but leading your child spiritually does matter very much. These are simply tools that we are offering to help you step into or continue on in the role God has given you as a parent.

1. Prepare for the Bible Story

Use your imagination with your child.

Pretend to pick fruit from a tree, take it home, bake a pie with it, and eat it.

If you're really feeling ambitious, bake an actual dessert together, using a fruit that grows on a tree.

While you're eating, or "pretend eating," tell your child that fruit plays an important part in today's Bible story.

2. Watch the Bible Story

Visit cvconline.org/cvckids.

Pray with your child, asking God to help him/her understand.

Watch the "Weekly Preschool Bible Story Video."

3. Worship with Song

At cvconline.org/cvckids click the link for the Preschool playlist.

Play "Who Knows Best?," and sing and dance along.

(TIP: If you use a laptop, you can choose specific songs!)

4. Practice the Memory Verse

Open the Preschool Parent Cue at cvconline.org/cvckids.

Use it to teach your child the Memory Verse for this month.

Connect the verse to the Bible story.

5. Review the Bible Story

Gather a red marker, a piece of green tissue paper, and an empty toilet paper tube.

Have your child draw red dots, for fruit, on the tissue paper.

Gently crumple the tissue paper into a ball.

Place the ball on the toilet paper tube.

Retell the Bible story using the craft to represent the tree from which Adam and Eve were told not to eat.
