SIMPLE WAYS TO BRING THE LESSONS HOME...

MORNING TIME

Wake your child this morning and say, "Good morning! I love you. I can't wait to see how God will take care of us today! Let's pray and watch because God sees us, cares about us, and has a plan. How exciting!"

PLAY TIME

Go outside and see just how mighty you and your preschooler are! How fast can you run? How many push-ups can you do? How high can you jump? How long can you hang from the bar on the swing set? How high can you swing? Do you have enough might to climb a tree? Whew! The options for testing your might are endless, but there is an end to your might. There is not an end to God's might, though! Tell your child that God is mightier than anything we could ever imagine! God is ALMIGHTY!

DRIVE TIME

We want your child to always remember that God is with her wherever she goes. Getting in the car is the perfect time to teach this truth. Each time you get in the car tell your child, "We're going to [name of place]. God is with us at [name of place] because God is always with His people wherever they go." Keep doing this all month long, and before you know it, your child will think all on her own that God is with her wherever she goes.

BATH TIME

As your child plays in the bath water, talk about how Moses and the Israelites couldn't go anywhere because the water in front of them was so big! But then God did something only He can do. He made a way for them by parting the water and forming a dry path where they could walk. Ask your child to try and part the water in the tub by pushing it to the sides with his hands. It won't work because only our mighty God can do that!

CUDDLE TIME

Cuddle up with your child and pray. "Dear Father God, Thank You for taking care of baby Moses. Thank You for taking care of all the Israelites. And thank You for taking care of [child's name]. You are a good God, strong and mighty, showing us who You are, going with us wherever we go, and caring for us with love. We thank You. We praise You. We love You. In Jesus' name we pray. Amen."
