SIMPLE WAYS TO BRING THE LESSONS HOME

MORNING TIME

As soon as you see your toddler in the morning, tell him or her that you are going to start the day by stretching together. Stretch up to the sky and say together, "God loves me." Then, touch your toes and say, "God loves me." With every stretch, keep repeating that Basic Truth. Give your child a hug and tell him you are both ready to start the day now!

PLAY TIME

Add a toy tool set, blocks, or Duplos to play time today. Encourage your child to build with you. Say, "God is so good. Nehemiah had a BIG job to do, but God sent a lot of people to help Nehemiah fix the city wall. God sends people to help us, too. Who are some of the people who help us?"

DRIVE TIME

While you are driving in the car, use your phone to play a few of the worship songs your child will be hearing in class. Scan the QR codes below to find each song on Spotify. Make a playlist of your own, or you can find the CVCKids preschool playlist, (which includes these songs), on our website at cvconline.org/cvckids.

I Love You Lord

BATH TIME

As you fill the tub, show your child how the faucet gives both cold and hot water. Ask them to name some other things that are cold (ice, snow, winter, popsicles, etc.) and some other things that are hot (the sun, the stove, summer, fire, etc.) Point out that fire is very, very hot and people cannot touch it. It hurts and causes big boo-boos. Then, retell the story of Shadrach, Meshach, and Abednego and how they would only worship the one, true God, so the king threw them into the fiery furnace. They should have died from all that fire, but God protected them. We should never touch fire, but we can worship God and remember how He is mighty to save.

CUDDLE TIME

Cuddle up with your child and pray. "Father in heaven, You are the one, true God. You love us, and you help us. Thank you! In Jesus' name we pray. Amen."
