Prayer Prompts:

When I feel hurried or anxious

- Where am I feeling rushed, pressured, or afraid of delay right now?
- What would it look like for me to trust You in this interruption instead of fighting it?

When I feel hidden, isolated, or ashamed

- Where have I learned to stay quiet, stay back, or not take up space?
- What would it mean for me to believe that Jesus sees me fully—and still calls me His own?

When fear challenges my faith

- What fear is loudest in me right now?

When my faith feels tired or familiar

- Where have I lost my sense of wonder or amazement at who Jesus is?
- Would You renew my love for You, Jesus—not just for what You do, but for who You are?
