## SERMON NOTES & REFLECTIVE PRAYER PROMPTS

Key Question: What is the motivation for someone to move from comfort to costly?

### What Moves a Person from Comfort to Costly?

1. Faith in God's POWER and PROVISION (vv. 7-13, 30-32)
  - Faith in God's purpose means you believe your life is measured by obedience – not by outcome.
2. Faith in God's PURPOSE and PROVIDENCE

### Prayer Prompts:

1. Pray for hearts to be freed from comfort as a master.  
Ask the Lord to expose where fear, reputation, security, or comfort have quietly become ruling forces in your life. Pray that the Spirit would gently but clearly reveal misplaced trust – not to shame, but to liberate.
2. Pray for increased faith in God's power and provision.  
Pray for faith to freshly believe that Jesus' authority is real and sufficient. Bring any areas before the Lord where you feel unqualified, underprepared, or insecure so that you can be strengthened by the truth that transformation belongs to Him.
3. Pray for a transforming encounter with Christ Himself.  
Ask that Jesus would be seen as worthy. Pray that His love, authority, and sacrifice would grip your heart more than fear or comfort. Ask Him to help you live with a deeper allegiance to Christ and a renewed readiness to go wherever He sends.
