GOD'S DESIGN FOR A LIFE THAT TRULY SATISFIES

SERMON NOTES

There are many types of churches the world, over, but we can broadly categorize them into two general types.

- There are churches that exist to hold on to what they've built.
- There are churches that exist to give away what they've been given.

And what determines the kind of church you are, is the types of people who make up that church.

Kingdom consumer

Someone whose aim in God's Kingdom is to be served.

Kingdom catalyst

Someone whose aim in God's Kingdom is to be spent.

A church filled with Kingdom catalysts is a...

1. Sending Church (v.12)

"We wanted to plant an evangelistic, disciple-making church—to go to heaven and take as many people with us as we could. How? By starting a church in a major metropolitan area that would have the resources to start other church-starting churches in our region, nation, and world." - Rick and Maryanne Duncan

2. Supplying Church (v. 13)

Propempō – a specific, recognized term in the early church for fully outfitting a traveling minister: money, provisions, an escort, whatever the journey required.

3. Serving Church (v. 14)

"CVCGo exists to provide practical help to people within our CVC community who, because of their circumstances, are unable to meet a need on their own."
